

Activity report April-October 2022

Formation of new association

Ledarna have the task of continuously reviewing that we offer associations that reflect the labor market and have seen that we have many members in the tech industry. Forming a new association is a process that has been going on for some time.

Interim board on site and inaugural meeting

In April, the association Techledarna was formed. The Bransch association is aimed at executives in the IT telecom industries and related high-tech businesses. The association's workingmethod is digital by default and it's language Swedish and English.

The Board has consisted of Alex Tsatsapasanis, Chairman, Sanja Studcic, Treasurer, Hannes Sjöblad, Board member, Stefan Norstedt, Board member, Mads Galsgaard. Co-opted from The Leaders Sofia Löfberg, Secretary and Lars Rosenlind, Auditor.

(Anders Bolinder, vice chairman and Ebba Öhlund co-opted from April-August)

The inaugural meeting took place on April 22, 2022 at the Office of the Leaders.

The Board has had a number of 3 board meetings.

The Board has worked in working groups and uses Admincontrol as a board portal, an agreement signed via the Leaders.

The Interim Board has acted as the Nomination Committee during the period leading up to the first Annual General Meeting.

Hannes Sjöblad participated in Ledarnas congress 2022 and presented the association. Congress approved the new association Techledarna.

Information for members

In June 2022, the members who were to be transferred to the new association were informed by letter. Those members who did not want to go over to the new association were asked to contact Ledarna at the same time with a request to remain in their old association, which about 20 members did. A total of 3271 members were moved.

The association got its own website on ledarna.se and soon a showcase page under Ledarna on LinkedIn. The domain Techledarna.se is registered. In September, the association sent out a membership letter with information about its new industry association and a presentation by the board. In the member appendix Chef also informed about the new association.

TECHLEDARNA
